Right at the seaside, 1 km south of the village, the campsite is calm and peaceful, there are no roads, railways lines, fences or rocks separating it from the beach. Away from the main area, there is a semi-naturalist beach.

OPEN 13/05 - 23/09

LE PALAIS DE LA MER has 180 large spaces, marked off with hedges, shaded or sunny, and all with 220V/10A electricity, drinking water and sewerage.

The three hectare site has 4 modern combined shower, toilet and washing facilities, with 114 private cubicles, each with WC, shower and washbasin, hot water, mirror and electric points. There are 36 tubs and sinks for laundry and crockery. This means that there is a high ratio of facilities to camping spaces. There are also laundry rooms with washers, and ironing boards.

The site has a self-service minimarket for food, Camping Gas and ice. If you do not feel like cooking,

the restaurant and takeaway service will always have something delicious ready for you.

Evening entertainment is available.

For your relaxation, there are organized games, a fitness room, table tennis, volleyball, halfsize (mini-tennis) and children's games. A river runs along the side of the site.

There is no access to the site for cars after 11 pm so that the campers can sleep undisturbed. Vehicles can be left in the car park after 11 pm. Security guards are on duty at night.

We would ask campers and caravaners to let us know the day before their departure and to leave their camping space before midday. Please take care not to damage the bushes nor to string washing lines between the trees.

Camping Le Palais de la Mer reserves the right to keep and use for later publication any photograph in which you may appear.
